

Recommendations:

- We do not recommend the execution of the reservation to vegetarians or people with possible allergies to sea products.
- Most of the menu consists of raw fish, so we recommend pregnant women to enjoy the restaurant at another time.
- Children under 12 years old will not be accepted.
- Reservations will be made in a single shift, at 14:00 and 21:00 respectively.
- The restaurant will be open 15 minutes before the service in order to have an aperitif.
- We recommend you to come to the restaurant with a perfume as soft as possible in order to enjoy the service to the fullest.
- 10 minutes will be given to start the service (all at once), from this margin, the diner will follow the menu by the point where he is.
